AFFC3C5B099D4AE...

This Administrative Memo provides information regarding agency allocations based on unduplicated caseloads. It also includes contact information for the State FPIP Contract Manager, and for Public Assistance Reporting Information System (PARIS), Trafficking and State Law Enforcement Bureau Investigations (SLEB) inquiries.

The Consortium should designate their 2022 FPIP Manager using the FPIP Contact form attached to this memo.

FPIP contractual expectations are contained in the DHS – Consortium Income Maintenance (IM) Contract. FPIP Guidelines referenced later in this memo can be found as an attachment to this memo at <a href="https://www.dhs.wisconsin.gov/dhcaa/memos/admin/index.htm">https://www.dhs.wisconsin.gov/dhcaa/memos/admin/index.htm</a> and will be updated as needed for each contract year.

The Contract Manager is expected to maintain and produce any documentation relevant to the FPIP program administration in the event of an audit or inquiry.

#### BACKGROUND

The FPIP model focuses on fraud prevention and supports all investigative activities under a single funding source by utilizing local agency and/or private contracted investigators.

This model has been in place statewide since 2011. The FPIP has helped DHS and local IM agencies to maintain:

- Consistent entry of fraud related data
- Payment error reduction

# **CY 2022 FPIP**

DHS has earmarked \$2,000,000 (all funds) to support statewide fraud prevention activities in all agencies that administer Wisconsin FoodShare (FS), Wisconsin Medicaid (MA), and BadgerCare Plus (BC+) programs in

CY 2022, excluding Milwaukee Enrollment Services (MilES). MilES will follow existing FPIP guidelines.

The Department will allocate an amount based on each agency's percentage of the statewide IM caseload for 2022. Local agency contributions are encouraged and are still eligible for federal matching funds.

# **FPIP EXPECTATIONS**

The FPIP Consortium can be comprised of the same agencies that make up the IM Consortium.

Under this model, each Consortium must select one agency to assume the role of administrative agency for the FPIP Consortium. It does not have to be the same agency that leads the IM Consortium.

Each Consortium will determine what staff will conduct FPIP investigations. Consortia can utilize agency staff, contract staff, local law enforcement or any combination that is most effective for each consortium.

In accordance with current DHS policy regarding consultation with tribes, tribal agencies are the only agencies that have the option to operate an FPIP independently. If a tribal agency chooses to operate independently, the tribal agency will still receive an FPIP allocation.

The following table describes the roles and responsibilities under the FPIP model:

Roles and Responsibilities under DHS FPIP Model				
DHS	Local Agencies	FPIP Staff		
Contract with local agency.	Track referrals, claims, and investigations through DHS approved tracking system.	Complete thorough fact finding investigations.		
Provide program policy and process guidance for agencies as well as fraud related trainings/guidance.	Submit FPIP referrals to investigative staff.	Enter FPIP data in DHS approved investigative tracking system.		
Assist with the Intentional Program Violation (IPV) process.	Calculate claims for over issuance of public assistance benefits.	Provide agency education on Front End Verifications (FEV) and Fraud (FRD) referrals.		
Deliver guidance/technical assistance on trafficking enforcement.	Ensure timely reporting of action taken on case(s) investigated.	Support Administrative Disqualification Hearing (ADH) process for FPIP cases.		
Maintain statewide fraud hotline and refer cases warranting investigation to agencies. Office of Inspector General (OIG) will retain and work cases as requested per agency or upon criteria set forth by the Inspector General and/or the Governor's Office.	Administrative or criminal prosecution of IPV.	Attend regular meetings/updates with DHS.		
Annually inform each FPIP consortium of their cost-benefit ratio performance.	Inform DHS of last year's local agency contribution towards FPIP activities.			

All agencies must comply with the requirements of the current FPIP Guidelines (see attachment).

- The FPIP must emphasize fraud prevention over fraud detection.
- The FPIP must be cost neutral such that total program costs do not exceed total program savings as measured by future savings, claims established and sanctions. FPIP areas should target a ratio of savings to costs at 5:1.
- FPIP investigations will be categorized as pre-certification (FEV) or post-certification (FRD).
- DHS will monitor FPIP performance relative to cost-benefit ratio.
- To ensure timely and accurate data, FPIP staff shall be responsible for entering all data related to fraud investigation activities in the Investigative Tracking System approved by DHS.

# **DOCUMENTS AND FUNDING**

- In order to meet contract deadlines and secure funding by January 1, 2022, agencies must submit
  all necessary documents to DHS via Tami Berg at the contact information below within 45 days
  after the release of this memo.
- Local agencies may contribute funding to the FPIP and the total local contribution will be eligible for the federal match for all allowable costs.

# TRIBAL AGENCIES

Tribal agencies are required to submit all necessary documents to DHS via Tami Berg at the contact information below within 45 days after the release of the memo.

Independent agencies must still abide by FPIP guidelines.
